6. Class Assemblies

The end-of-week assembly next Friday will be organised by Te Kakano & Te Pihi. It will start at 1.45pm. We encourage all our parents, especially those whose

children are involved in the presentation to come along to enjoy it.

7. Easter Break

A reminder that this Friday 30th March there is no school as it is the start of the Easter holidays. There is also no school next Monday 2nd and Tuesday 3rd April. We will start back on Wednesday 4th April.

10. Building Your Child's Vocabulary

Early vocabulary knowledge consistently predicts children's later reading achievement. Mostly, young children learn words from talking, talking with parents, brothers and sisters and friends. You can help children learn more words by using a variety of methods to develop their awareness of words. Here are some ideas to use at home:

- ❖ Act out and illustrate words when you are reading aloud
- ❖ Read lots of poetry and especially rhymes
- ❖ Use new words in new contexts e.g. "This is the word we read last night, Remember?"
- ❖ Explain what a new word means
- ❖ Look at the letters and sounds in new words
- ❖ Choose a letter and everyone thinks of as many words as they can beginning with that letter
- ❖ Use family outings to point out words on signs and shops
- ❖ Play word games e.g. "I spy"
- ❖ Play Board games e.g. scrabble

Wordfind - Find words in a dictionary or book you are reading or newspaper

11. BOYS CAMP

12. Ahorangi Maurakau

Next week we have a group visiting the school to work with all the students teaching them Maurakau. This is use of long sticks, a form of Maori martial arts. Last year some of our Year 6 students had a taste of this discipline through a special programme but it was restricted to the older students. We have managed to find a resource to deliver this to all our students. They will be here next Wednesday working with Te Kauru and Te Puawai then on Thursday with Te Whare Tui, Te Pihi and Te Kakano.

13. Kadodo African Drumming & Dance

Next Friday we have a special visitor from Ghana coming in to entertain the students in a whole school performance and an interactive session. Our performer, Koffie Fugah, will perform a few rhythms, songs and history of the rhythms from his homeland Ghana. There will be 50 drums which will be dispersed amongst the audience so it will definitely create some noise? He will be here to perform at 11am. We invite all our whanau to come in and join us for this show.

14. Weetbix Tryathlon

Next Sunday 8th April some of our students will be participating in the Paihia Weetbix Tryathlon. The Sanitarium Weet-Bix Kids TRYathlon is designed for Kiwi kids aged 7-15 years to help them stay active and healthy through a programme of participation. The series has been running since 1992 and is a rite of passage for Kiwi kids, to date over 300,000 Kiwi kids have given it a TRY. Open to Kiwi kids of all sporting abilities the Sanitarium Weet-Bix Kids TRYathlon is a fun day out for kids, parents and families. Participants get to swim, cycle, and run their way around age appropriate courses.

This year we have 21 students registered with our school. We will have a school marquee up as a base for all our participants. The event starts at 9am. Parking is at a premium and the bridge to get to the location [opposite Waitangi Cophorne Motel] is closed off quite early. The marquee will be set up at 7am.

Please take a look at the Weet-Bix Kids TRYathlon pre-event checklists for **individuals** or for **teams** to ensure you are well-prepared for the day and have packed all the items needed for a safe and fun day.

The following items are compulsory:

- Closed in shoes for the cycle and run legs
- A well-fitting helmet for the cycle leg

KAHI

- Official Weet-Bix Kids TRYathlon t-shirt with bib number attached.

If you have received your event kit make sure that you have your child's bib number sticker and that it is stuck to:

- The front of their event t shirt. (it is best to do this with the t shirt lying on flat surface)
- The front of their helmet
- The handle bars of their bike

Make sure you allow plenty of time to get to the event and to find a car park. Please leave enough time to get through the numbering, Check In and Transition process before Transition closes. The more time you allow, the easier it will be. There will be lots of people and it will be very, very busy, so please be patient and listen to all instructions, which will come from our officials, volunteers and the event commentator. To view the schedule for your event, visit the Location page. And remember, drink plenty of water before and during the event and always warm up and stretch before the TRYathlon!
